Attendance records policy

Date Reviewed:

Regulation:

Standards:

April 6, 2021

Family Assistance Law

6, 7

Aim

Woden Valley Early Learning Centre (WVELC) will maintain records of attendance for each child for whom education and care is provided. Accurate records of attendance are required to confirm that a child, for whom child care payments are made, actually attended the service or home where the care was provided, for the hours or sessions of care stated, or was absent from care that would have otherwise been provided on that day.

Policy

1. It is the authorised person's responsibility to record on the attendance record the time of arrival and departure of the child in care on a daily basis.

2. Absences from care

(a) Child Care Subsidy (CCS) is payable, for each child, in relation to the child's initial 42 days of absence from care across all CCS approved child care services during each financial year. These absences can be taken for any reason and do not require supporting documentation, but they are only available on a day on which care would otherwise have been provided if the child was not absent, and the conditionally eligible individual was charged for that care.

(b) Public holidays will be counted as absence days for CCS if

- The child would normally have attended the service or individual care on the day if it were not a public holiday; and
- Fees are charged in respect of the absent child for the day.

Note: CCS is payable for public holidays at the usual rate.

(c) WVELC may report up to 20 additional absences for a child who has used more than 30 of their initial 42 absence days due to one or a combination of below reasons

- The child's illness/es;
- The parent/guardian's rostered days off or rotating shifts; and/or
- Shared care arrangements in connection with a court order, parenting plan or parenting order.

Note: WVELC must have the appropriate documentation to verify at least 31 initial absences.

(d) WVELC cannot report an absence for a child before they start attending care unless it is an additional absence reason and the child has already used their 42 initial absence days at another service.

(e) WVELC cannot report an absence for a child after the last day they physically attended WVELC unless it is an additional absence reason with supporting documentation and the child has already used their 42 initial absence days.

(f) WVELC will cancel all the absences after child's last day of attendance.

3. Attendance records must show a true indication of children physically being in care.

Casual booking policy

Date Reviewed:

February 8, 2024

Regulation:

168 (2)

Standards:

7.3

Aim

This policy outlines the terms and conditions for casual bookings at Woden Valley Early Learning Centre. Casual bookings refer to individual bookings made occasionally in addition to regularly scheduled bookings. The centre doesn't require a specific reason for the purpose of the booking, but it is subject to availability.

Booking Fee

Casual bookings are subject to an additional daily fee of \$132 per day, in addition to any regular service charges. The Child Care Subsidy (CCS) can be applied if the family's allocated hours allow for it.

24-hour Cancellation Policy

Families are required to provide a minimum of 48 hours' notice in the event of cancellation or changes to the booking. Failure to provide adequate notice may result in the forfeiture of the booking fee.

Reason for Cancellation

Cancellation or changes to bookings are permissible in the event of the child's inability to attend or significant changes in the family's circumstances. We understand that unforeseen circumstances may arise, and we aim to accommodate our families to the best of our ability.

Cancellation Procedure

To cancel or modify a casual booking, families must notify us at least 48 hours in advance via phone, email, or in-person communication. Failure to provide timely notice may result in the forfeiture of the booking fee, and the child will be marked as absent. This absence will count toward the 42 absent days allowed by and covered by CCS. If the cancellation is made within the stipulated 48-hour notice period, the booking will be removed, and no charges will be passed on to the family.

Exceptions

Exceptions to the cancellation policy may be made in extenuating circumstances, such as emergencies or unforeseen events beyond the control of the family. In such cases, families are encouraged to communicate directly with our management team for resolution.

For instance, *if a child was booked for an additional day on Thursday but was sent home on Wednesday due to a fever, the child cannot attend the casual booking as per the centre's exclusion policy. This policy ensures that children who are unwell do not attend the centre, thereby safeguarding the health and well-being of all children and staff members.*

Communication Channels

Families are encouraged to maintain open lines of communication with our staff regarding bookings, cancellations, and any changes to their circumstances. We strive to provide flexible and accommodating service to meet the needs of our families. Casual bookings can be made via phone call or email directed to the office. If the casual booking is recurring and ongoing, the family will be encouraged to book this spot permanently to avoid disruptions to the center's operation and the child's routine.

Refusal of casual booking

The centre reserves the right to refuse a booking based on the following criteria:

- **Child's Health and Participation:** If a child is unwell and unable to participate in the service program due to illness or any other health-related concerns, the centre may refuse the booking to ensure the well-being of the child and other children in attendance.
- **Non-Compliance with Policy or Code of Conduct:** If a family has previously failed to comply with the Casual Booking Policy or has been subject to violations of the Family Code of Conduct, the centre may refuse the booking to maintain a safe and respectful environment for all children and staff.
- **Non-Payment of Fees:** If fees associated with previous bookings are not paid in a timely manner, resulting in a significant outstanding debt, the centre reserves the right to refuse further bookings until the outstanding fees are settled. This ensures the financial integrity of the centre and equitable treatment for all families.
- **Outbreak of Infectious Disease:** In the event of an outbreak of an infectious disease or a public health emergency, the centre may refuse bookings to prevent the spread of illness and protect the health and safety of all children, families, and staff members.
- **Lack of Staffing:** If the centre experiences a shortage of staffing or other operational constraints that prevent it from providing adequate care and supervision, bookings may be refused until staffing levels are sufficient to maintain quality care standards.

By enforcing these criteria, the centre upholds its commitment to providing a safe, healthy, and respectful environment for all children and staff members.

Code of conduct for families

Date Reviewed:

April 14, 2021

Regulation:

168(2)(i)

Standards:

4.2, 7

Statement of purpose

Woden Valley Early Learning Centre (WVELC) provides an open, welcoming and safe environment. We believe parents/guardians and staff play an important role in enriching children's experience at the Centre and in its effective operation. WVELC aims to provide an inclusive, positive and supportive environment for children, educators and parents alike.

Aim

This document outlines appropriate behaviour for all parents/guardians and visitors of the Centre, and reflects the values and beliefs of WVELC. It seeks to uphold WVELC's obligation and duty of care for the emotional and social wellbeing of all its members. It will assist in ensuring the safety and wellbeing of children, families and staff. WVELC has a legal responsibility to provide a safe and happy environment for all children and staff, and a responsibility to provide, as far as is practical, a safe workplace that is free from discrimination, bullying and/or harassment.

Scope

This code of conduct applies to all adults, including parents/guardians, extended family and emergency contacts while interacting with the WVELC.

Definitions

Harassment is unwelcome conduct that humiliates, offends or intimidates people - and the conduct can be reasonably considered to adversely affect the welfare of any member of the WVELC community.

Bullying is the repeated and intentional use of words or actions against someone, or a group of people, which causes distress and risk to their wellbeing. Bullying is not the same as conflict between people or disliking someone, even though people may bully another because of conflict and dislike.

Bullying behaviour may include

- Unfair and excessive criticism
- Publicly insulting people
- Undervaluing people's efforts or contributions

Parent/family responsibility

In general

- Agree to abide by the WVELC's philosophy;

- Follow the WVELC's policy and procedure documents;
- Respect the privacy of children, staff and other families;
- Treat all users of the centre and staff with courtesy, respect and consideration;
- Use respectful, courteous and acceptable verbal and non-verbal language. Refrain from the use of profane, insulting, harassing, aggressive or otherwise offensive language;
- Under no circumstances should a child, parent/guardian or member of staff be approached directly in a confrontational manner;
- Maintain confidentiality regarding WVELC at all times;
- Refrain from public criticism of children and adults at WVCC, which includes social media;
- Parents/guardians are not to use social network sites to publish negative comments or confidential information about WVELC, other users, children or staff;
- Be aware of emergency evacuation procedures; and
- Parents/guardians are not to approach or contact WVELC Committee members personally to discuss concerns or grievances. These and any queries are to be tabled in a written format and submitted via the Director or the WVELC Committee email address. Responses will be a consensus from the WVELC Committee as a body, not the expressed opinions of any individual member. Parents/guardians are to be respectful that the WVELC Committee runs on a volunteer basis, and appreciate queries directed to the WVELC Committee will be addressed in a manner as timely as possible with this understanding.

In relation to children

- Be aware of routines and guidelines for children's play within WVELC, abide by them and seek advice when unsure;
- Managing children's behaviour is the responsibility of the staff. Never reprimand another person's child, refer all matters of concern regarding children's behaviour directly to staff;
- Be responsible for any child/children you bring to the WVELC if they are not enrolled. This includes supervising them and ensuring they do not damage property; and
- Be discrete and respectful of parent's wishes, all times regarding any photography taken at WVELC.

In relation to staff

- Give encouraging and constructive feedback rather than negative criticism;
- Prevent inappropriate gossip, as malicious and negative talk is destructive and to the detriment of the WVELC and staff/parent morale;
- Accept staff decisions and follow their directions. Speak with staff if you have any problem complying with any direction;
- Avoid approaching staff to discuss a child mid-session. Seek an alternative time when staff are free from contact duties with children;
- Do not approach staff during their rostered hours to arrange babysitting outside of WVELC. Such discussions are to occur outside of the rostered staff hours;
- Understand that under staff's contractual obligations, they are unable to discuss with accounting procedures, costing structures, policies under development, operational decisions of management, waiting list arrangements or staff rostering. They are also unable to discuss confidential personal information about other children in the service;

- Should a staff member approach a parent/guardian with a concern pertaining to any matter other than their own child, the parent/guardian must respond professionally and encourage the staff member to address the concern through the WVELC's conflict resolution process;
- Parents/guardians are encouraged to seek the input of a relevant Room Leader wherever possible, when discussing any concerns about their child with staff. This will ensure a clear line of communication between staff in the relevant room, and the Director; and
- Inappropriate gossip, malicious and negative talk is destructive and to the detriment of the Centre and staff/parent morale.

Procedure for dealing with a breach in the Code of Conduct for families

On notification of a potential breach of this code of conduct, the Director/WVELC Committee will activate the complaints policy.

The Director/Committee will commence a course of action, which may include, but is not limited to

- Communicating with the relevant parties to seek an understanding of the situation;
- Implementing internal or independent mediation for relevant parties, where deemed necessary, by the Director and/or WVELC Committee;
- Convening a *first and final warning meeting*, or issuing a letter to the relevant parties on the outcomes of any investigation, reaffirming that any other breach of this code of conduct will not be tolerated; and
- Requesting the withdrawal or suspension of a child/ren's place in the program due to a serious breach of the code of conduct. Please note this will only be taken if no other alternative is deemed appropriate by the WVELC Committee. Types of enrolment

- Routine sessions only – casual care is not included
- Casual enrolment – no routine sessions are included
- Routine sessions, with casual care permitted

To maximise occupancy and to ensure that the Service maintains regular income to meet its financial obligations the following day structure applies for enrolment (*Committee Meeting, 2014*).

Families must be enrolled for the minimum of two (2) days per week, to ensure that continuity of care in a regular and predictable pattern is provided to children, to further reduce separation anxiety and help children to build safe, respectful and reciprocal relationships with their educators.

The above structure of care or/and the minimum day requirement may be subject to change and is to be assessed by the service Director based on individual family circumstances.

Enrolment updates must be:

- in writing;
- updated within seven (7) days of a change; and
- changed where:
 - information in an enrolment is incorrect or changed (e.g. address);
 - family circumstances have changed (e.g. court order);
 - emergency contacts/people authorised to collect children are incorrect or changed; and
 - there is new medical condition or dietary requirement.

Changes to written care agreement

Four (4) weeks' notice is required to reduce the number of days that a child attends. Reduction of days must be in accordance with the days of enrolment structure.

Cessation of care

Four (4) weeks' notice is required to cease care with the Service. Bond and any credited fees will be refunded to parents/guardians, if the payments are up to date. In case of unpaid fees, bond will be used to cover the outstanding amount or its portion. Any remaining unpaid fees will be passed onto a collection agency.

Fees and Payments

The management committee has an overall objective in ensuring there is effective and efficient management of our Service as a professional enterprise reflecting the high-standard of care and education expected of a child care facility. WVELC operates on a non-profit, self-supporting basis with all operating costs met through fee revenue.

Families are responsible to ensure that their fees are paid in accordance with the policy.

Parent/guardians are provided with a weekly invoice detailing the claims that have been processed, listing the Child Care Subsidy received and the amount to pay for each child in care. At the time of initial contact, families are provided with current fees.

WVELC is an approved service and eligible families will receive their Child Care Subsidy (CCS) entitlement as recurred fees. The service is responsible for administering Child Care Subsidy on behalf of the Australian Government.

Payment of fees

- WVELC requires a \$550 bond to be paid upon accepting a position. The bond is refundable upon leaving the service, if four (4) weeks' notice is given and all outstanding fees have been paid.
- Families are required to pay their fees two (2) weeks in advance.
- Fees can be paid via direct deposit (or electronic fund transfer). Please refer to the Family Handbook for the bank details or ask directly the service director. Please note cash or cheques will not be accepted.
- Fees **will** be charged for public holidays, two (2) educator professional development days and when the child is absent from care (holidays or illness).
- Fees **will not** be charged for the end of the year (Christmas break) service closure.

Overdue fees

Families experiencing difficulties in paying their fees and/or experiencing financial hardship must advise the service director and discuss this matter further.

Families will receive a verbal and/or written reminder if their fees are overdue. If fees continue to be overdue the following overdue fee surcharges will be applied to each outstanding amount:

- 14 days overdue = 10% surcharge
- 21 days overdue = 20% surcharge
- 28 days overdue = 40% surcharge

Note: Failure to pay for care or frequent late payments may constitute grounds for refusal of further child care.

If families withdraw their child/ren or have forfeited their care, and have outstanding fees, the bond will be kept offsetting the fees owing. Where fees owing are greater than the bond, families are required to pay the remaining amount, alternatively the outstanding fees will be referred to a collection agency.

Late Collection Fee

Families are required to ensure their child/ren are collected from the WVELC prior to 6pm.

A late fee of \$10 per minute, per child, will be charged for children who have not been picked up prior to 6pm (as per the WVELC clock linked to the sign in/sign out tablets).

For example: If a child is picked up at 6.20PM a late collection fee of \$200 (20 minutes x \$10 per minute = \$200) will be applied.

The late collection fee will show as an additional charge on the next invoice.

Grievance policy

Date Reviewed:

May 6, 2024

Regulation:

168 (2)(o)

Standards:

6, 7

Aim

To provide families, employees and Woden Valley Early Learning Centre (WVELC) Committee members clear guidelines to follow in the event of a grievance and to ensure that a fair and confidential outcome is realized.

Implementation

All grievances are dealt with fairly, equitably and promptly and wherever possible in an informal manner. If a grievance cannot be resolved informally with the persons involved, a formal grievance process will commence.

In fairness to those involved, grievances raised anonymously that relate to an individual employee are not investigated by the WVELC Committee or service management, unless it is a mandatory reporting concern. The resolution of grievances is expected to be done in an ethical, equitable and respectful manner and anonymous grievances pose significant issues in ensuring the investigation is dealt with in this manner.

Provision of a Complaint Handling System

Woden Valley Early Learning Centre (WVELC) is committed to maintaining a child-focused approach in handling complaints. A comprehensive complaint handling system will be established and maintained at the service to ensure that all complaints, whether from families, employees, or other stakeholders, are addressed promptly, transparently, and with utmost consideration for the well-being of the children involved. This system will include clear procedures for lodging complaints, mechanisms for investigation, and protocols for resolving complaints in a fair and confidential manner.

Resolution of grievances between parents/guardians/families and employees

On enrolment parents/guardians are provided with a copy of the services philosophy, enrolment handbook, and a list of WVELC policies. Parents/guardians are provided with access to policies electronically, (via StoryPark), and in hard copy in the family library in the service foyer.

Should a conflict arise between a child's parent/guardian and an employee, the parent/guardian will discuss the issue with the relevant employee. If the parent/guardian still feels further action is necessary, the parent/guardian will discuss the issue with the Senior Educator, or Director where it relates to a senior employee.

Additionally, if an employee wishes to raise an issue with a parent/guardian, the issue should be discussed with the parent/guardian in the first instance, followed by the Senior Educator or Director.

Should an employee have concerns relating to a parent/guardian's behavior, attitude or conduct towards an employee, a child, family of the service, or the service in general, the employee will raise these concerns with the Director to identify appropriate action to be taken.

In all circumstances the affected party will clearly identify the particular grievance, the issues and relevant parties involved.

If after discussion with the Senior Educator or Director, the parent/guardian or employee is still unhappy with the resolution of the issue, the parent/guardian or employee may choose to raise the issue with the WVELC Committee through writing to the Committee secretary.

Should a grievance be communicate to the WVELC Committee, the Committee will discuss the grievance, identify steps for resolution and convey the Committee's decision and reasoning to the parties involved through written response. A written response will be provided within 28 days of the grievance being tabled at a meeting of the executive.

If a grievance concerns the WVELC Director or a member of the WVELC Committee, the Committee may deem it appropriate for that person to be absent from its discussions relating to the grievance.

If a parent/guardian has followed this procedure and is still unhappy with the resolution of the issue they may choose to refer the issue to The Children's Education and Care Assurance, (02 6207 1114) and/or The ACT Human Rights Commission, Children and Young People Commissioner (02 6205 2222).

If an employee has followed this procedure and is still unhappy with the resolution of the issue, and the employee is a member of a relevant union or professional body, they may choose to refer the issue to the relevant union or professional body.

Resolution of grievances between WVELC Committee members

On appointment to the WVELC Committee, members are given

- A copy of the associations constitution;
- A copy of the services philosophy; and
- A list of all service policies and access to copies of essential policies, including this policy.

Discussions that take place during Committee meetings are confidential.

Should a Committee member be dissatisfied with the way a decision has been reached at a Committee meeting or with a particular action of the Committee, they will raise their concern with the WVELC chairperson and seek to have their grievance tabled at the next Committee meeting. In the event of an irresolvable conflict, a special Committee meeting may be called in accordance with the WVELC's constitution. The Committee will determine a course of action agreed to by a majority vote.

Resolution of grievances between employees (including the WVELC Director)

Employees who have a grievance with another employee should talk directly to the employee concerned to attempt to resolve the issue. This is to be done in a sensitive and

respectful manner. Any employee involved in a grievance should abide by WVELC's privacy and confidentiality policy. Employees or families of WVELC external to the grievance are not to become involved in the grievance itself, or the resolution. If unable to resolve the situation, the relevant Senior Educator followed by the Director, should be called upon to commence a private and confidential conflict resolution for both sides.

If an issue continues to be unresolved, the employee will be advised of other formal channels available, such as legislative bodies.

WVELC will keep record of any written (letters, emails, notes) or verbal (phone calls, meetings) communication, in private and confidential manner.

Management of Complaints Alleging Harmful Sexual Behaviours

In the unfortunate event that a complaint alleges a child is exhibiting harmful sexual behaviours, WVELC will prioritize the safety and well-being of all children involved. Such complaints will be handled with the utmost sensitivity, confidentiality, and urgency. The designated child protection officer, in collaboration with relevant authorities and professionals, will oversee the investigation and management of these complaints, ensuring that appropriate support is provided to all affected parties.

WVELC will adhere to all legal and regulatory requirements regarding reporting and managing allegations of harmful sexual behaviours involving children, following established protocols and guidelines set forth by child protection agencies and regulatory bodies. *Please refer to Child Protection Policy.*

Aim:

This policy provides an overview of the way in which amounts can be recovered from services under family assistance law and the CCSS.

Definitions:

Offsetting - is the process whereby amounts owed by a Child Care Subsidy approved service to the Australian Government are recovered, either partially or in full, by reducing future payments to a service. Offsetting is the usual way outstanding amounts overpayments or adjustments are recovered from services. The rate and period of offset against payments made to your service are matters for the discretion of the department, and may depend on the type of debt, its amount and the circumstances in which it arose.

Policy:

(1) Amounts to be recovered from service

The payments will be recovered automatically by CCSS through offsetting:

- amounts due to be recovered as a result of a service cancelling a previously submitted Attendance Record Report
- enrolment advance payments for enrolments that have ended
- fee reduction amounts that the service have advised is unable to pass on to a family within 14 days

If the service has ceased to operate or had its Child Care Subsidy approval suspended or cancelled, debt amounts that would normally be recovered by offset will instead be repaid by cheque or direct credit.

(2) Unpaid debts to the service

- the service will act immediately if a parent should fall behind in payment of agreed fees

- service will verbally and in writing advise the family of overdue fees and set a time frame in which to be paid
- service will work in collaboration with families, e.g. by agreeing to instalments
- failure to pay for care as per care agreement may constitute grounds for refusal of further care
- outstanding amount will be further passed on to the debt collecting agency
